Sr. No: F20(101/05) अयो /निगरी /2011-12/145 Date: 12.3.13

All Principals,  
Government College,  
Rajasthan

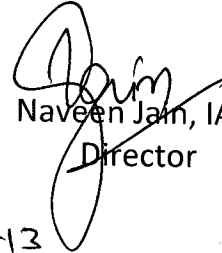

Subject: Regarding using online admission module for the college admissions for the session 2013-14

This is to state that the Directorate has developed the online admission module for the use of the colleges. The Directorate has decided to implement it on PILOT basis in selected about 50 Government Colleges of Rajasthan where the IT facility and willingness to take such initiative exists.

This online admission module will be an additional platform with existing manual admission process initially and gradually we wish to replace the whole manual process with the online admission module. For this purpose, directorate will organize a seminar in next month and there the whole procedure will be demonstrated.
