State Level officers from SCERT, Technical Education & Nursing Council
Rajasthan

Subject: Training cum Workshop on All India Survey of Higher Education (AISHE) on 4.9.13 at University of Rajasthan, Jaipur at 10.30 A.M.

Dear Sir/Madam,

As you are aware that, the Ministry of Human Resource Development, Govt. of India has initiated a web based 'All India Survey on Higher Education (AISHE)' to create a robust and sound database on the large and diverse system of higher education in the country. A dedicated portal <http://aishe.gov.in> has been created for this purpose, where all the required documents including e-version of Data Capture Format are available. Using the data collected through this survey, All India/State and University level reports could be generated for a better understanding of situation of higher education. **Directorate of College Education, Rajasthan** has been nominated by the state government as a **State Coordinating Agency (SCA)** for the same.

Keeping in view the usefulness of data collected under AISHE 2010-11, MHRD has decided to continue the Survey on annual basis and accordingly 2011-12 Survey has been started in March 2013. With a view to expedite the uploading of the data by the institutions, it has been decided to organize **training-cum-workshop on AISHE 2011-12 on 4.9.13 at 10:30 A.M. in University of Rajasthan, Jaipur**. In this workshop **Shri R.P Sisodia, Joint Secretary, MHRD, GOI** and officers of MHRD will be present to address the issue.

During the training-cum-workshop, the main issues to be discussed are as follows:

- All the Technical issues relating to Survey such as of management of Portal, filling of DCF, uploading & downloading of DCF, institution management etc.
- Key Results of AISHE 2010-11 with specific reference to Rajasthan.
- Sharing of Reports with Institutions.

The training-cum-workshop is expected to better equip the State and University Officers with survey related activities which may enable them to respond to the queries of the institutions and also improve both the quality of data and the progress of the survey.

You are therefore requested to **depute the Nodal Officer (AISHE)** of your University/Institute or **nominate a Nodal Officer for the same** to attend the workshop.

With regards,

Yours sincerely

Director, College Education
