Subject: Sending Proposal for RSDLC Skill Development Programs

Dear Sir

This is with regard to effectively implementing courses offered by RSDLC or the Rajasthan Skill and Livelihood Development Corporation (earlier known as RMoL) in your college. Of the many courses available, two programs are specially relevant for our students. These are the 'Spoken English cum Employment Readiness Program' and the 'Career Grooming' course. These courses are specially designed with the objective to provide English speaking competence and impact life / soft skills, information technology etc. Some Colleges in our state have been implementing these two courses quite successfully for the past few years.

This year we wish to introduce and run these programs in a more systematic fashion. As such, 40 colleges have been specially identified to implement these programs and strengthen this initiative.

Kindly fill up the enclosed form (f.y.2013-14 format) on a priority and send it to RSDLC office latest by 25th September. You may contact Mr Ravi Kapoor (Consultant RSDLC. Mob: 9950941676 for any query, clarification or guidance.
