

Minutes of the meeting held on May 14th, 2012 for appointment of Non-teaching staff of Aided private colleges under RVRES.

Large numbers of non-teaching staff from Aided Private Colleges had reported in College Education Directorate for appointment under Rajasthan Voluntary Rural Education Service Rules 2010. However, their appointment and posting could not be done till now since the number of vacancies existing in rural colleges was much less than the number of staff that had reported. Accordingly, amendment was made in the Rajasthan Voluntary Rural Education Service Rules 2010 vide notification dated 1.2.2012 wherein it was permitted to appoint such staff on equivalent vacant posts in other departments governed by these Rules. Thereafter, Education Department was sent the list of the staff with the request to inform where such staff should report. Full information in regard to the vacancies in Education Department was received in Higher Education Department only on May 14th, 2012.

On receipt of such information, a meeting was held under the chairmanship of Principal Secretary, Higher & Technical Education on May 14th, 2012 to discuss the modalities for appointment of non-teaching staff of Aided Private Colleges under Rajasthan Voluntary Rural Education Service Rules 2010. The following officials were present in the meeting :-

1. Principal Secretary, School Education
2. Director, College Education
3. Deputy Secretary, Higher Education

The following decisions were taken in the meeting :-

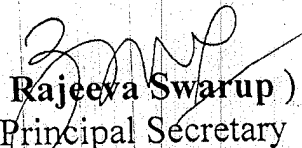

1. First, all vacant posts in rural Government Colleges, for which staff is available under RVRES, may be filled up.
2. Four vacancies have been communicated by Technical Education Department in Government Polytechnic College, Neemrana. These include One Lab Assistant, two peons and one Chowkidar. One Lab Assistant and three class IV persons may be posted under RVRES.
3. School Education Department has reported 135 vacant posts of Lab Assistants. 58 remaining Lab Assistants under RVRES may be sent to School Education Department.

4. School Education Department has reported 873 vacant posts of peon. 401 remaining Class IV under RVRES may be sent to School Education Department.
5. School Education Department has reported 43 vacant posts of LDC. However, it has a backlog of 120 applications pending for posting on compassionate grounds under 1996 Rules. There are also 895 vacant posts of UDC. 47 UDCs under RVRES may be posted against the vacant posts of UDCs. The total remaining number of LDCs under RVRES to be adjusted is 129. Given the fact that School Education Department has deficit number of LDC vacancies (in view of its pending applications for appointment on compassionate grounds), it was decided in the meeting that the surplus LDCs available under RVRES in Directorate of College Education may be posted against the vacant posts of UDCs available in School Education Department. Such posting shall not affect the promotional avenues of LDCs of School Education Department. As and when such LDCs of School Education Department are promoted to the post of UDC, equivalent number of RVRES LDCs, temporarily posted against UDC posts, may be adjusted against the vacant post of LDCs that are created on account of such promotion.
6. To the extent possible, the allocation of the non-teaching staff under RVRES, from Directorate of College Education to School Education Department should be done keeping in view the District of the employee concerned, provided that clear vacancy exists in the District. Otherwise, it should be to the nearest District where such vacancy exists.
7. Director, College Education shall immediately prepare a District-wise list of the staff being sent to School Education Department. In addition to the name as well as the post of the RVRES staff, the list shall also contain the date of joining of the employee concerned in the Department. Such list shall be sent to the District Education Officer (Secondary) of the District concerned, and direct the employees to report to the DEO for further posting. This would be followed up immediately by transfer of service record of the employees to DEO of the district wherein the employee is posted.
8. The District Educational Officer (Secondary) shall not only issue the posting order but also the formal appointment order under RVRES with effect from the date of joining by the employee concerned in the

Directorate of College Education, in accordance with the amendment made in Rule 5 of RVRES, which reads as under :-
"After the existing proviso the clause (iii) of rule 5 of the Rajasthan Voluntary Rural Education Service Rules, 2010, the following new proviso shall be added, namely:-

Provided further that in the case of non-teaching staff, screened for appointment of non-teaching posts in College Education Section and posts for posting in rural areas are not available, such person shall be appointed on any equivalent post in rural areas in any other department governed by these rules. Such person shall be deemed to be appointed in the new department from the date of joining in the Directorate of College Education."

9. Principal Secretary, School Education will immediately issue directions to all District Educational Officer (Secondary) that they shall take on duty the RVRES staff that reports to them, as per the list sent by Director, College Education as per para 7 above, and that they shall take action as stated in para 8.
